Helping people on low income furnish their homes

Cambridge Sofa

Cambridge Re-Use

Cambridge Re-Use is a local charity, working within a 20 mile radius of Cambridge. It is carrying forward the good work of Cambridge Sofa which was established in 1988.

We collect furniture and electrical goods, and sell them at low prices to people on low incomes or on benefit. The generosity of our donors and our dedicated team of volunteers enable our service to benefit over 1,000 households each year.

Donations

We are pleased to accept furniture, electrical goods and other household items in good condition. Please contact us to arrange a collection, or bring the goods to our store during normal opening hours (see back page). Large domestic appliances in working order are always in great need; we currently have a waiting list for households requiring cookers, washing machines, fridge freezers, freezers and fridges.

How to donate

Telephone: 01223 576535

Email: donate@cambridgereuse.org.uk

By donating your unwanted goods you are enabling people on low income to make their house a home.

Becoming a customer

We will be pleased to welcome you as a customer. If you are trying to furnish your home on a low income, we offer a service based on choice, quality, and affordability, and are able to deliver your purchases if you wish. We work solely to help people struggling financially.

How to register

If you earn up to £18,000 for a single household or up to £23,000 for couples, you are eligible to become a customer. Please bring proof of your total household income. We will then issue you with a customer card; it will last for six months, after which time it can easily be renewed.

Volunteering

We are fortunate to have a diverse team of volunteers spanning a wide range of ages and reasons for volunteering, but are always pleased to add to this team. There is a variety of volunteering opportunities available, including van drivers, van crew, receptionists, and store assistants. Full details are on our website.
